4. CROWN LAND DETAILS

Provide any known Block and Parcel Numbers (BPIDs):

Map attached showing the extent of Crown land affected

Land Registry certified copies attached

5. GENERAL

Set out, in brief, the nature of the proposed use or development:

Is the necessary funding already reserved in the Departmental budget for this current financial year?

YES NO

If NO, please provide details of the proposed funding arrangements:

Is the Crown land currently being used by you (or another party)?

YES

NO

If YES, please provide details:

Do you:

(1) occupy or have management responsibility over any other Crown land?

YES

NO

(2) occupy or have any rights in any land adjoining or in the vicinity
of the Crown land that you are applying to use?

YES

NO

If YES – please provide details including Block & Parcel Numbers (BPID) together with Land Registry certified copies:

6. PROPOSAL

You must include a sufficiently detailed proposal as part of your application. The depth and detail required in the proposal will vary with each application. For example, a proposal for a major development on Crown land will require a significant amount of information – whereas an application for a licence to install a sign may require less detailed information.

In all cases, your proposal must address the requirements of Section 26 Crown Land Ordinance 2012, specifically that no more Crown land may be allocated than is needed for essential Government purposes.

TICK A detailed proposal is attached to this application which satisfies the requirements of the Crown Land Ordinance 2012 as stated above.
